# Audition Information and Procedures

## AUDITION PURPOSE

The goals of the audition are to provide each student with a positive educational experience and allow us to hear each student's ability and to judge them fairly and evenly for placement in the Festival.

## LOCATION OF AUDITIONS

The Auditions can be hosted by any school that participates in the Champlain Valley District Festival. The host school may use any available facility to host the Auditions.

## PARTICIPATION IN THE AUDITIONS

Any student in grades 7th & 8th in a participating school and a member of that school's performing ensemble, where available, may audition for the Festival. Students are required to be listed on their school's audition application form and to attend the entire audition process for their instrument.

Only wind and percussion students need to audition, but only those that audition will be accepted for participation in the Festival's Band.

No substitutions or additions to the accepted wind and percussion sections will be allowed without the students going through the required audition.

Students will not be allowed to audition for the Festival if they committed themselves to the previous year's Festival and then subsequently withdrew. Exceptions (academic ineligibility and documented illness) must be approved by the Festival Director.

*A copy of the audition application form is printed in this handbook for teacher use.*

## AUDITION GROUPS

Students will be auditioned in like-instrument groups as determined by the Audition Host, based on the audition applications made.

## AUDITION REQUIREMENTS

### 1) Scales

Students should prepare their tuning note scale and the three scales on either side of that scale on the Circle of Fifths as indicated below:

Concert Instruments      G, C, F, Bb, Eb, Ab, Db

Bb Instruments      A, D, G, C, F, Bb, Eb

Eb Instruments      E, A, D, G, C, F, Bb

F Instruments      D, G, C, F, Bb, Eb, Ab

Students should also prepare a Chromatic Scale.

*Examples of the required scales are available on the District website at [www.vtdistrict3music.org](http://www.vtdistrict3music.org). They should be rhythmically performed as scored at the indicated tempo.*

2) Prepared Piece

The prepared piece for each instrument will be an original 16 measure selection that the student will prepare beforehand and use as part of the workshops and audition. **NO PHOTOCOPIES WILL BE ALLOWED AT THE AUDITION SITE.**

*The list of prepared pieces for each instrument is included in this handbook.*

3) Sight-reading

Each adjudicator will provide 4 similar but not identical sight-reading excerpts for the auditions. Students will randomly select one and perform it.

## **AUDITION PROCESS**

1) Workshops

Each group of like-instruments will have a one hour workshop with the adjudicator working on the prepared piece and the prepared scales. The workshops will focus on group participation and will help the students with their tone, intonation, articulations, etc.

2) Auditions

The students will audition for the same teacher that ran their workshop, in front of the same students that participated in their workshops. The adjudicator will have an audition form for each student and will, in turn, ask each student to perform one aspect of the audition. Once each student has performed one aspect of the audition, the second aspect will be asked and so forth.

*An example of the audition form is printed in the back of this handbook.*

3) Performance

Each student will perform the prepared piece using the copy that they brought with them to the auditions. Each student will perform one of the sight-reading examples randomly selected from the four available. Neither student nor adjudicator will mention which example is being used so that the others waiting do not become aware of how the example is played. Each student will perform two scales from the seven prepared and the chromatic by reading them off of a copy prepared for them by the adjudicator. Neither the student nor the adjudicator will mention which scales are used so that the others waiting do not become aware of which scales are being asked. All students will be asked the same two scales.

4) Evaluation

Following the completion of the Auditions, the Band Manager will meet to select the participating students. The raw score from each student's audition form will be used for placement.
